

# I Finally Found Someone

Sammy Kershaw

I finally found someone  
That knocks me off my feet  
I finally found the one  
That makes me feel complete  
It started over coffee  
We started off as friends  
Its funny how from simple things, the best things begin  
This time its different, it's all because of you  
Its better than it's ever been  
Cause we can talk it through

Ooo...my favorite line  
Was can I call you sometime  
Its all u had to say to take my breath away  
This is it

This is it  
I finally found someone  
Someone to share my life  
I finally found the one to be with every night  
Cuz whatever I do it's just got to be you  
My life has just begun  
I finally found someone

Oooh someone I finally found someone

Did i keep u waiting? (I didn't mind)  
I apologize (baby that's fine)  
I will wait forever just to know you were mine (ooh)  
You know I love your hair (sure it looks right?)  
I love what you wear (isn't it too tight?)  
You're exceptional  
I can't wait for the rest of my life

Ohh my life has just begun I've finally found someone  
And whatever I do..it's just got to be you  
Ohh my life has just begun  
I've finally found someone
