

Freedom

Sampa the Great

Oh, oh, oh
Just to let you know
We've won
Don't waste your time
Don't waste your time
Oh
'Cause I imagine freedom
Oh, oh
And just to let you know
We are our own freedom, freedom

Agh, damn
When you come out the stands
How you gonna live it when you come out to Stan?
How you sellin' shows when you don't got fans?
How you gonna live it when you don't got fans?
Agh, damn
Once it was a while ago
Music is the business, now I'm singin' in this vehicle
Singin' 'bout my freedom while they plannin' how it's buyable
Well, like I'm feelin', how I'm feelin' is maniacal
My voice, my skin, my logo
How you tryna package me when you don't get a photo?
In the end, no I.D., no Polo
Shoutin' to the heavens 'cause I don't know where to go though
Somebody tell the dealer I'm comin', oh-oh
I-I-I'm comin'
My, oh, my, I know I'm stunnin'
My, oh, my, I know I'm runnin'
In the end so here I go
We used to think the industry was five stars, define stars
And now we itchin' just to find stars, define stars
But they was schemin' when they find us, define us
And now we token, now we open so then remind us
From the beginnin', we never winnin'
They want our image, we the spark
You want my art, what's hot, what's not
I'm undercharged, an over though
And after dark, and now I'm livin'
Tryna give in every melody of ours
What's hot, what's not, what's ours
Sally sellin' six figures, wearin' Bantu knots
I'm tryna make a livin'
Music is the source of all my end and my beginnin', singin'

Freedom
Freedom
Freedom
Freedom
Fly
Freedom in my heart and my soul (Freedom)
Freedom in my heart and my soul (Freedom)
Freedom in my heart and my soul (Freedom)
And all I'm searching for are my goals
Fly
So what's it to ya? (Freedom)
Ayy, ayy, ayy, so what's it to ya? (Freedom)

Fly
Ayy, ayy, ayy, so what's it to ya? (Freedom)
Ayy, ayy, ayy, so what's it to ya? (Freedom)
Ayy, ayy, ayy, so what's it to ya? (Freedom)
Freedom in my heart and my soul (Freedom)
Ayy, ayy, ayy, so what's it to ya? (Freedom)
Freedom in my heart and my soul (Freedom)
Ayy, ayy, ayy, so what's it to ya? (Freedom)
And all I'm searching for are my goals
Got me feeling like

Ooh, these visions
Baby, baby, baby
These visions
Freedom, freedom
You are
From my freedom
Oh, ooh
Oh, oh, oh
Waiting for you
Just to let you know
We've won
Don't waste your time
Don't waste your time
'Cause I imagine freedom
Oh, oh, oh
Just to let you know
We've won
Oh, oh, oh
Freedom, freedom
