I'm going back to 505
If it's a 7 hour flight or a 45 minute drive
In my imagination you're waiting lying on your side
With your hands between your thighs

Stop and wait a sec
When you look at me like that my darling
What did you expect?
I probably still adore you with your hands around my neck
Or I did last time I checked

I'm not shy of a spark $\mbox{\bf A}$ knife twists at the thought that I should fall short of the m ark

It seems like once again you've had to greet me with goodbye I'm always just about to go and spoil a surprise Take my hands off of your eyes too soon

But I crumble completely when you cry
It seems like once again you've had to greet me with goodbye
I'm always just about to go and spoil a surprise
Take my hands off of your eyes too soon

I'm going back to 505
If it's a 7 hour flight or a 45 minute drive
In my imagination you're waiting lying on your side
With your hands between your thighs and a smile
