

## B Side

San Cisco

I'm not as good as what I'd like to be, I don't need you to tell me  
When we go down to the country, I like it when you're beside me

I know you're not alone tonight  
But that's all right with me  
Yeah, that's all right with me  
I know you're alone tonight  
Come over, so am I  
I think that you're great, let's just be friends and hold hands  
at 2 A.M  
It's okay when I am just your B side

I'll tell you what I'll do if it was me  
I don't mind hiding my feelings here in this RV

I know you're not alone tonight  
But that's all right with me  
Yeah, that's all right me  
I know you're alone tonight  
Come over, so am I

I think that you're great, let's just be friends and hold hands  
at 2 A.M  
It's okay when I am just your B side

I know you're alone tonight  
Come over, so am I  
I think that you're great, let's just be friends and hold hands  
at 2 A.M  
It's okay 'cos we will always be great, let's just be friends and hold hand hands at 2 A.M  
It's okay when I am just your B side
