

# Did You Get What You Came For

San Cisco

In time  
In time I'll get over you

Would you forgive if you knew how to?  
Or have you already done what you came here to do?  
Is it too late to change your mind?  
Or have you already found what you came here to find?

Just forget what you came for  
Let's forget what you came for  
Just forget what you came for  
Let's forget what you came for

Don't disguise what you came to say  
I know what you mean and it hurts in so many ways  
I guess we wouldn't be here if you hadn't let go  
We'll drift away, everyday  
If I don't talk to you, I'll still lose you  
So tell me before you go

Did you get what you came for?  
Did you get what you came for?  
Did you get what you came for?  
I forget what you came for

In time  
In time I'll get over you

Did you get what you came for?  
Have you done what you gotta do?  
Did you get what you came for?  
Have you done what you gotta do?

[?]  
I should have seen it coming when you took back all your books from next to  
my bed  
(Now you've done what you came to do)  
You show up in my house, in front of my friends  
You say that you were here to let me know that you now longer cared

Let's forget what you came for  
Have you done what you come to do?  
Took what belongs to you?  
Would you forgive if you knew how to?  
Could you forgive if you knew how to?

In time  
In time I'll get over you  
You always leave  
You always leave me wanting more  
In time  
In time I'll get over you
