

Honeycomb

San Cisco

Honeycomb
Sweet as can be
I stick to you
'Cause I know what's good for me
I wanna take it slow
But we're moving at lightning speed
I want all of you
Do you trust yourself with me?

I don't want savoury
Yeah, I want sweet
I left room for dessert
'Cause you're my favourite treat
Wherever you are is home to me
Anywhere with you is where I wanna be

'Cause you're sweet as honey
Yeah you're the one for me
You're sweet as honey
I can feel your love sticking on me

I don't want salad
I want sweets
I left my mind in the back seat
Give me honey, joy, ecstasy
When I'm with you, I feel complete
You taste like honeycomb
I've got you on repeat
And I stick to you
'Cause I know what's good for me

I don't want savoury
Yeah, I want sweet
I left room for dessert
'Cause you're my favourite treat
Wherever you are is home to me
Anywhere with you is where I wanna be

'Cause you're sweet as honey
Yeah you're the one for me
You're sweet as honey
I can feel your love sticking on me

Sweet as honey
I can feel your love sticking on me
Sweet as honey
I can feel your love sticking on me
Tastes like honeycomb
