

# That Boy

San Cisco

I see it when you smile  
You're feeling kinda flat  
Not sure what you're doing  
But we've all felt that

Are you looking for someone  
Just to hold you close?  
You could do better  
You could do better than him, you know

It's easy to see  
From the backseat of your life  
I've told you once  
I'll tell you again tonight

That boy  
Ain't good to you  
He's breaking your heart  
And it's breaking mine too

You're feeling things  
That you don't understand  
I guess your heart didn't listen to the plan

I gotta let you know  
What your friends don't say to you  
I know the way he makes you feel  
Girl, that boy, he's no good for you

It's easy to see  
From the backseat of your life  
I've told you once  
I'll tell you again tonight

That boy  
Ain't good to you  
He's breaking your heart  
And it's breaking mine too

That boy  
Ain't good to you  
He's breaking your heart  
And it's breaking mine too

You keep going back  
Time and time again  
Maybe you're just addicted to pain

But I've been thinking  
Thinking quite a lot  
Maybe you and I  
Maybe we should give it a shot

That boy  
Ain't good to you  
He's breaking your heart  
And it's breaking mine too

That boy  
Ain't good to you  
He's breaking your heart  
And it's breaking mine too

It's easy to see  
From the backseat of your life  
I've told you once  
I'll tell you again tonight

That boy  
Ain't good to you  
He's breaking your heart  
And it's breaking mine too

That boy  
Ain't good to you  
He's breaking your heart  
And it's breaking mine too
