

Waiting For the Weekend

San Cisco

I'm waiting for the weekend and my girl to arrive
My friends all think I'm laying it low when getting high
She's the kind of pick me up that makes me feel right
Together till the morning and we watch the sunrise

Her name is Molly
Her name is Molly

It started as a crush
When it comes to you, I've had too much
She always finds a way under my skin
Cause Molly always wins

Even when I'm holding on to Molly's hand
We always get lost in our future plans
And when she's standing right next to me
She's never quite as close as I'd like her to be

Her name is Molly
Her name is Molly

It started as a crush
When it comes to you, I've had too much
She always finds a way under my skin
Cause Molly always wins

And if my ex-girl sees me around
I don't think she'll understand the love that I found
Molly's coming strong and she's ready to go
I think it's time for me to find my way home

Her name is Molly
Her name is Molly

It started as a crush
When it comes to you, I've had too much
She always finds a way under my skin
Cause Molly always wins

Her name is Molly
