

## new one

San Holo

Yeah

Yeah, yeah

I wanna live my life in overdrive  
I wanna live without regrets and lies  
The shit you can't capture in photos  
Lightning looks better in slow-mo  
Don't wanna wait for tomorrow  
Oh, oh oh

Why you tryna hide  
You can do whatever you want  
Stop checking the time  
Every second is a new one  
Say what's on your mind  
Tell me what it is that you want  
Can't go back in time  
Every second is a new one

Every second is a new one  
Every second is a new one

Not gonna save it for another time  
I wanna lose my breath to feel alive  
Show me the things that I don't know  
The shit you don't hear on the radio  
Don't wanna wait for tomorrow  
Oh, oh oh

Why you tryna hide  
You can do whatever you want  
Stop checking the time  
Every second is a new one  
Say what's on your mind  
Tell me what it is that you want  
Can't go back in time  
Every second is a new one

Every second is a new one  
Every second is a new one

Every second is a new one  
Every second is a new one  
Every second is a new one  
Every second is a new one

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh
