

**OK!**

**San Holo**

OK!

OK!

You telling me to breathe but I can't catch your breath  
You telling me to sleep but I can bear to rest  
Running through my blood like an animal  
Like an animal, like an animal

And I need to release  
The energy inside me  
'Cause you make my world shake  
I behave like an animal

Like an animal, like an animal  
Like an animal, like an animal

OK!  
OK!  
(Like an animal)  
(Like an animal)

OK!  
OK!  
Like an animal
