

## Across the Bridge

Sanchez

I had lived a life of sin in this world now living in  
I have done forbidden things I shouldn't do  
I asked a beggar along the way, who wouldn't tell me where to stay  
Where I'd find real happiness and love that's true  
Across the bridge, there'll be no more sorrow  
Across the bridge, there'll be no more pain  
The Sun will shine across the river  
And you'll never be unhappy again

Bridge:

Follow footsteps of the King, you'll hear the voices sing  
They'll be singing out the glory of the Lamb

On river of Jordan we'll be near, sound of trumpets you will hear  
And you'll off to that most special place known to man  
Across the bridge, there'll be no more sorrow  
Across the bridge, there'll be no more pain  
The Sun will shine across the river  
And you'll never be unhappy again

Bridge:

Across the bridge, there'll be no more sorrow  
Across the bridge, there'll be no more pain  
The Sun will shine across the river  
And you'll never be unhappy again
