

Back At One

Sanchez

Undeniable that we should be together
Its unbelievable how I used to say, Id fall never
Basis is need to know if you dont know just how I feel
Then let me show you now that Im for real
If all the things in time, time will reveal, yeah
One, youre like a dream come true
Two, just wanna be with you
Three, and girl its plain to see
That youre the only one for me and
Four, repeat steps one, two, three
Five, make you fall in love with me
If ever I believe my work is done
Then Ill start back at one
So incredible the way things work themselves out
And all emotional once you know what its all about, hey
And undesirable for us to be apart
Couldve never made it very far
Cause you know youve got the keys to my heart
And one, youre like a dream come true
Two, just wanna be with you
Three, and girl its plain to see
That youre the only one for me and

Four, repeat steps one, two, three
Five, make you fall in love with me
If ever I believe my work is done
Then Ill start back at one
Say farewell to the dark clouds, I see the coming of the sun
I feel like a little child whose life has just begun
You came and breathed new life into this lonely heart of mine
And threw out the lifeline just in the nick of time
And one, youre like a dream come true
Two, just wanna be with you
Three, and girl its plain to see
That youre the only one for me and
Four, repeat steps one, two, three
Five, make you fall in love with me
If ever I believe my work is done
Then Ill start back at one
Yeah, undeniable that we should be together
And unbelievable how I used to say that Id fall never
Basis is need to know if you dont know just how I feel
Then let me show you now that Im for real
If all the things in time, time will reveal, yeah
