Lately I feel weird I'm different than usual
At the sight of your smiling face my cheeks blush again
The small dimple that blossoms on one side when you laugh
Looks prettier than before I think I've gone crazy
I feel dizzy um

Baby the two of us are just comfortable friends
My heart shrinks at the thought of us becoming strangers
You keep joking around again not knowing my heart 1 bit
Really really really you

Ya ya ya ya I'm not going to call you like that

Me too ya ya ya ya I'm not going to call you like that
Like other boys Like other girls
I'm not going to think of you like those other kids
I'm not going to call you like that really

Lately you feel weird when just the two of us are walking down the streets
Why do I want to hold your hand when the backs of our hands touch
When just the two of us are eating you say I'm clumsy
And you slightly pinch my cheek
Before you had no effect on me but now
My face has become all red because of you

Baby the two of us are just comfortable friends
My heart shrinks at the thought of us becoming strangers
You keep looking at me not knowing my heart 1 bit
Please Please Please you

Ya ya ya ya I'm not going to call you like that
Me too ya ya ya ya I'm not going to call you like that
Like other boys Like other girls
I'm not going to think of you like those other kids
I'm not going to call you like that really

Fall in love with you
Shall I hold your hand, shall I kiss your lips
Do you feel the same as me
Fall in love with you
Shall I hold your hand, shall I kiss your lips
Do you feel the same as me

Ya ya ya ya I'm not going to say that
Me too ya ya ya ya I'm not going to say that
Like other boys Like other girls
I'm not going to think of you like those other kids
I'm not going to call you like that really

Ya ya ya ya I'm not going to call you like that
Me too ya ya ya ya I'm not going to call you like that
Like other boys Like other girls
I'm not going to think of you like those other kids
I'm not going to call you like that really
