

# Come Before Him

Sandi Patty

Come before Him  
Come before Him  
Come unto Him and worship Him with highest praise  
Come before Him  
Come before Him  
Give honor to His name forever more  
Come before the Lord

An invitation waits for us  
To come into His presence  
To bring our joys and sorrows  
Before a holy Lord.  
And when we wait upon our God  
With honor and in reverence  
He loves the perfect peace we've sought  
That only grace affords.

Come before Him  
Come before Him  
Come unto Him and worship Him with highest praise  
Come before Him  
Come before Him  
Give honor to His name forever more  
Come before the Lord

Our Father waits unendingly  
For heart to heart communion

His promises unbroken  
His mercies ever new.  
And when we meet Him face to face  
In glorious reunion  
His Word will be fulfilled  
To those who've found His love true.

Come before Him  
Come before Him  
Come unto Him and worship Him with highest praise  
Come before him  
Come before Him  
Give honor to His name forever more  
Come before the Lord  
For He is holy  
He is almighty  
Savior, Deliverer, Jehovah God

Come before Him  
Come before Him  
Come unto Him and worship Him with highest praise  
Come before him  
Come before Him  
Give honor to His name forever more  
Come before the Lord
