

# Forever Friends

Sandi Patty

Verse 1:

All around us things are changing  
Seasons come and seasons go  
Very few things last forever  
Deep inside our hearts we know

Chorus:

Were forever friends  
Bond by love that time can't take away  
Forever friends caring in a special kind of way  
Heart to heart and hand in hand  
We'll stand until the end  
Loves forever when your forever friends

Verse 2:

We're all children of the father  
In his keeping and his care  
And the spirit that he gives us  
Is the love we're meant to share

Chorus

Bridge:

And though we know it's time to say goodbye  
We will always be together  
And here's the reason why.

Chorus
