

# Go Without Knowing

Sandi Patty

If my life could be  
All my life should be  
I would learn to trust God  
At every turn  
I would hear His words  
And my heart would surrender then  
Truly depend on Him

Chorus:

I'd go without knowing  
Do without doubting  
Face without fearing  
Any road in front of me  
I'd give without glory  
Love without limits  
Go without knowing  
Wherever He may lead

If my eyes could be opened wide  
I'd be blind to me  
So I could see what He sees  
Beyond asking why  
I would take up my cross and still  
Gladly lay down my will

Repeat Chorus

Bridge:

Oh, to truly give my all  
Oh, to answer to His call

Repeat Chorus
