

## Make It 'Til Tomorrow

Sandi Patty

When life is a stormy sea  
The Lord brings His peace to me  
And carries me safely through my sorrow  
He reaches my deepest place  
With strength for the world I face  
His love is what keeps me 'til tomorrow  
As long as my God is there  
And He hears my honest prayer  
I know I can make it 'til tomorrow  
And I know that when shadows hide the day  
His words are a lamp unto my way  
The light I can follow  
Should trouble come raining down  
I know where my hope is found  
With Jesus, I'll make it 'til tomorrow  
Though hell shake the ground I stand  
I'll cling to my Father's hand  
We'll walk 'til today becomes tomorrow  
When the struggles of temptation press on me  
Then I hold on to something that I believe  
A beacon of truth and hope, hope to follow  
And I know that when shadows hide the day  
His words are a lamp unto my way  
The light I can follow  
No matter what trials today  
I'll praise Him each step that I take  
Together we'll make it 'til tomorrow
