Ghosts

Sandi Thom

There's a feeling in my heart
Takes me right back to the start
To the place where I was
To the place that I once loved
There's a memory in my mind
Sending shivers down my spine
Like your shadow follows me
Makes me think of how we used to be...

I really need to let you go
Cause I don't believe in ghosts
The feelings that I feel
I know that they're not real
I'm never gonna let you find
What's in the corners of my mind
I really need to let you go
Cause I don't believe in ghosts

I don't believe in ghosts...

In the earth under my feet
In the depths of my heartbeat
I can feel you linger there
In my dreams you're everywhere

You don't belong herewith me now
Just a face out in the crowd
Please believe me when I say...
How I wish that you would fade away...

I really need to let you go
Cause I don't believe in ghosts
The feelings that I feel
I know that they're not real
I'm never gonna let you find
What's in the corners of my mind
I really need to let you go
Cause I don't believe in ghosts

I don't believe in ghosts

There's a feeling in my heart
Takes me right back to the start
To the place where I was
To the place that I once loved
There's a memory in my mind
Sending shivers down my spine
Like your shadow follows me
Makes me think of how we used to be...

I really need to let you go
Cause I don't believe in ghosts
The feelings that I feel
I know that they're not real
I'm never gonna let you find
What's in the corners of my mind
I really need to let you go

Cause I don't believe in ghosts

I really need to let you go
Cause I don't believe in ghosts
The feelings that I feel
I know that they're not real
I'm never gonna let you find
What's in the corners of my mind
I really need to let you go
Cause I don't believe in ghosts
(I don't believe in ghosts)
(I don't believe in ghosts)
(I don't believe in ghosts)
No... I don't believe in ghosts
(I don't believe in ghosts)
(I don't believe in ghosts)
(I don't believe in ghosts)
