

May You Never

Sandi Thom

May you never lay your head down
Without a hand to hold
May you never make your bed out in the cold
You're just like great strong brother of mine
And you know that I love you true

And you never talk dirty behind my back
And I know that there's those that do
Oh please won't you, please won't you
Bear it in mind
Love is a lesson to learn in our time
Now please won't you, please won't you
Bear it in mind for me

May you never lay your head down
Without a hand to hold
May you never make your bed out in the cold
You're just like a good close sister to me
And you know that I love you true

And you never talk dirty behind my back
I know that there's some that do
Oh please won't you, please won't you
Bear it in mind
Love is a lesson to learn in our time
And please won't you, please won't you
Bear it in mind for me

May you never lay your head down
Without a hand to hold
May you never make your bed out in the cold
You're just like a great strong brother of mine
You know that I love you true

And you never talk dirty behind my back
And I know that there's those that do
Oh please won't you, please won't you
Bear it in mind
Love is a lesson to learn in our time
And please won't you, please won't you
Bear it in mind for me
May you never lose your temper
If you get in a bar-room fight
May you never lose your woman overnight

May you never lay your head down
Without a hand to hold
May you never make your bed out in the cold
May you never lose your temper
If you get in a bar-room fight

May you never lose your woman overnight
May you never lose your woman overnight
