

Sorry

Sandra Našić

What is the time and when did you start to begin (Ahh..., hah-hah)
The tired blue eyes see places down on my skin (Hah-hah)
We lock this house and push us over the hill [?] (Ahh..., hah-hah)
I don't wanna wake cuz I feel his hand on my skin (Round, round, round, round, round, round)
Sorry, I just wanna be your game
Sorry, then he turns around and [sing/say] (When you throw it away)
Sorry, baby let me be your end
Sorry, locked ourselves inside a shell (When you throw it away)
The beat goes on while you sip it on a coffee machine (Ahh, Hah-hah)
I don't wanna wake cuz he wants me to get outta the steam (Hah-hah)
He rocks this house and burns my love into black (Ahh, hah-hah)
He said choke, choke, choke (Hah-hah)
Sorry, I just wanna be your game
Sorry, then he turns around and sing (When you throw it away)
Sorry, baby let me be your end
Sorry, locked ourselves inside a shell (When you throw it away)
You don't stop
You don't stop
You don't stop
You don't stop
... the same
We are not the same
When you throw it away
When you throw it away
Sorry, I just wanna be your game
Sorry, and he turns around and sing (When you throw it away)
Sorry, I just wanna love you again
Sorry, so baby do we love inside your head?
