

Redis moi

Sandra

redis moi
et souffle moi
danse, danse, danse
emporte moi

tell me again and breathe me
touch me again
dance me, dance me

run, run, run, run away with me
here inside we're heart to heart
run, run, run, run away with me
here inside we're heart to heart

redis moi
et souffle moi
danse, danse, danse
emporte moi

tell me again and love me
touch me again
and come with me, come with me

run, run, run, run away with me
here inside we're heart to heart
run, run, run, run away with me
here inside we're heart to heart

redis moi
et souffle moi
danse, danse, danse
emporte moi

tell me again...
