

Best Is Yet To Come

Sandro Cavazza

I wanna live like no tomorrow
And never think 'bout yesterday
'Cause we could live without the sorrow
It's just perspective anyway

Even impossible is positive
'Cause it has the word possible in it
And the unthinkable is thinkable
If you think for a minute
And even untrustable is trustable
If you put trust in it, yeah
So put your trust in it, yeah

The best is yet to come
Don't worry 'bout a thing
Whenever you feel down
Don't let the troubles in
The sun is gonna come
Don't worry 'bout the rain
Let's sit here for a while
And watch it go away

And just take it easy
Let's take it easy
And let the breeze in
Just take it easy

Don't really worry 'bout the future (future)
'Cause I will get there anyway (way)
And it's, uh, it's okay to be a loser (loser)
It's how you face it anyway (mmh)

Even impossible is positive
'Cause it has the word possible in it
And the unthinkable is thinkable
If you think for a minute
And even unlovable is lovable
If you put your heart in it, yeah
So put your heart in it, yeah

The best is yet to come
Don't worry 'bout a thing
Whenever you feel down
Don't let the troubles in
The sun is gonna come
Don't worry 'bout the rain
Let's sit here for a while
And watch it go away

And just take it easy
Just take it easy
Just take it easy
Let's take it easy
And let the breeze in
Just take it easy
