

# Shameless

Sandro Cavazza

Better  
You made me better  
You brought the best out of me  
I was better when I was with you  
Closer  
I've never been closer  
To feel how it's supposed to feel  
I was closer when I was with you

And you shouldn't see me now  
Trying to drink you out  
Out of my head  
Pour another down  
Now that you are gone  
I'm off the rails  
It was my mistake  
And it's killing me

Darling, I know that I'm shameless  
Hoping you're hopelessly waiting  
Wishing that I would come back to let you know  
I was a fool to let you go  
I know it's selfish  
Yeah, I must be out of my senses  
'Cause deep down I'm hoping you're somewhere on your own  
Thinking of us still holding on, waiting

Wonder  
Have you found another?  
Somebody who makes you happy  
And gets you like I never did  
Like I wish I had done?

Then you shouldn't see me now  
Trying to drink you out  
Out of my head  
Pour another down  
Now that you are gone  
I'm off the rails  
It was my mistake  
And it's killing me

Darling I know that I'm shameless  
Hoping you're hopelessly waiting  
Wishing that I would come back to let you know  
I was a fool to let you go  
I know it's selfish  
Yeah, I must be out of my senses  
'Cause deep down I'm hoping you're somewhere on your own  
Thinking of us still holding on  
Waiting

Darling I know that I'm shameless  
Hoping you're hopelessly waiting  
'Cause deep down I'm wishing  
You're somewhere on your own  
Thinking of us still holding on

Waiting
