

# So Much Better

Sandro Cavazza

I tried my best that I could do  
Just to find out I was never yours  
I hang on to the words that you said  
And I held out when my world was lost

I can do so, I can do so  
I can do so much better  
And I can do so, and I can do so  
And I can do so much better

'Cause I tried my best that I could do  
Just to find out I was never yours  
I hang on to the words that you said  
And I held out when my world was lost

I can do so, I can do so  
Yeah, I can do so much better  
'Cause I can do so, yeah, I can do so  
And I can do so much better

I can do so, but I can do so  
I can do so much better  
And I can do so, and I can do so  
And I can do so much better
