

# Boy

(Sandy) Alex G

Stray dog is walkin down the street  
Next to another dog  
They're eating mud and  
Starting to smell me  
Two babies  
Dangerous and free

When I got home I told my baby  
The story  
She said to me  
"I think you're funny, you saw  
What you wanted to see"  
And I said

"I am not the boy you knew"  
"I am not the boy you knew"  
"I am not the boy you knew"  
"I am not the boy"

Feel like a million eyes on me  
Feel like a cannon ball I see  
A tree it loses all its leaves  
And you are dead to me  
You watch someone you know  
Grow into static company  
And now you see  
Do you wish you were

"I am not the boy you knew"
