Break

(Sandy) Alex G

Tapping out
In my head I see bright lights
Riding in
I think I'm feeling it now
Just like you did

Taking hits for you
'Cause I wanna feel like I'm supposed to
I could disappear
If this is what makes me feel so real

And I'd break for you baby
'Cause you make it feel so good
And I'd break for you baby
'Cause you make it feel so good
And I'd break for you baby
'Cause you make it feel so good
And I'd break for you baby
'Cause you make it feel so good

Hold me down
And maybe I'll quit if you stick around
Keep quiet
It's the only place I know, but it's my favorite

And I'm sick for you, baby
And it's never gonna go away
And I'm sick for you, baby
And it's never gonna go away
And I'm sick for you, baby
And it's never gonna go away
And I'm sick for you, baby
And it's never gonna go away
