

## Candy

(Sandy) Alex G

Keep your body in the air  
Shut your mouth you stay up there

Don't let them see you like this  
Wash your face and hide your wrist

Just like candy you'll go down  
Stain my teeth and rot my mouth

Paint by numbers one by one  
You will see and you will come

Keep the water inside you  
You will speak when spoken to

Just like candy you'll go down  
Stain my teeth and rot my mouth
