

Fighting

(Sandy) Alex G

I think
Tonight
I wanna fight
My sweethearts comin down
One more smack on me
You'll see my
Knuckles start to bleed
I wanna stop
But I still need to
Get a swing
Baby
Baby
Baby
I think you're fine
You been on my mind
You're right on time
Just say you're mine

Tell me soon
You'll get the mood
And meet me down the block
If you go fast
It sure won't last
Kick my ass
The moments past
I might be out
But I should let you know
Baby
Baby
Baby
You think I'm strange
Maybe deranged
I'm not the same
But I love your game
