

Forgive

(Sandy) Alex G

Forgive yesterday, oo hoo
I choose today, uh-huh, uh-huh
No stories, no mirrors
Yeah yeah yeah yeah
I choose today, uh-huh, uh-huh
Yeah yeah yeah
I choose

We build
Castle upon castle upon castle
Upon air
Ah yeah, ah yeah

Forgive yesterday, oo hoo
I choose today
Yeah, yeah, yeah
I choose

We build
Castle upon castle upon castle
Upon air
Ah yeah, ah yeah
