

# Hitting So Hard

(Sandy) Alex G

You know when it gets too hot to touch  
Or think  
You had enough  
It makes me feel like I don't need  
To make my body bleed

Would you stop hitting so hard?  
Hitting so hard  
Hitting so hard  
Hitting so hard

I swung until I broke my hand  
Then I got mad again  
You said it makes you want to die  
But that still feels alright

I won't stop hitting so hard  
Hitting so hard  
Hitting so hard  
Hitting so hard
