

# Mary

(Sandy) Alex G

Mary is the girl that I wanna kiss  
Shes got big red eyes and big red lips  
Shes got big sharp teeth and big fat hips  
Mary is the girl that I wanna fuck  
Shes got leather heart and leather gloves  
Shes the only girl that I wanna love

"Listen to me baby I don't mind  
I wanna be with you and waste my time"  
"Give it to me baby I feel good I wanna  
Feel whatever you think I should"  
"Sing it for me baby play my song  
I wanna hear your daddy sing along"

Mary is the girl that leaves you to rot she says  
I am real and you are not
