Mis

(Sandy) Alex G

```
My baby's alright
She just doesn't wanna see me tonight
Not for a minute
Not for a second
She says 'nothin here for you to make right'

I said 'I miss you so bad'
She says

I guess I don't need her around
I just do what I do best when I'm down
Paint the problem
Into a picture
Twist my arm til I make a sound

I said 'I miss you so bad'
She says
```
