

## Not Really

(Sandy) Alex G

Even though you feel it  
It's not really real  
Even though you feel it  
It's not really real  
Even though you feel it  
It's not really real  
Even though you feel it  
It's not really real

She'll be coming real soon  
Maybe you'll move faster too  
She'll be coming real soon  
Maybe you'll move faster too  
She'll be coming real soon  
Maybe you'll move faster too  
She'll be coming real soon  
Maybe you'll move faster too

Even though you feel it  
It's not really real  
Even though you feel it  
It's not really real  
Even though you feel it  
It's not really real  
Even though you feel it  
It's not really real
