

Okay

(Sandy) Alex G

When nobody is at home
Everybody just wants that
Inside their hearts

Yeah I can't help it if I'm stoned
I'm just another mothafucka
With a guitar

Everybody is alone
But at least everybody knows
That God loves them

So I guess that everyone's okay
Everybody is Okay
Okay Okay Okay

Help me
Help you

Help me
Help you

Help me
Help you
