

Pretend

(Sandy) Alex G

Gonna crack a rib
When I get home
I'm gonna bury you
In my favorite hole

I made a bloody mess
In the kitchen sink
I tried to fix myself
But I didn't think

They said
"We just want to
Talk with you"
"We just want to
Walk you through"

Oh, I don't want to see you, babe
I wanna be trapped in you
Oh, I don't want to be me
But I'm gonna pretend for you, oh

Let's paint our nails
And keep it real
'Cause honey all I know
Is what I feel

I'm still looking for
A friend of a friend
He said he'd hook me up
He told me what he had

They said
"Leave your body
Leave your mind"
"Don't you know
You're out of time?"

In his room
In his bed
You can't hear what he said
Looks like dirt
Tastes like trash
Honey, I know you
Could float right past

Oh, I don't want to see you, babe
I wanna be trapped in you
Oh, I don't want to be me
But I'm gonna pretend for you
