Sally

I know you're gonna hate me
But I've been thinking bout that baby
And if you have it I'm gonna leave

You see I met this girl in high school
And she thinks that I'm cool
She says her boyfriend is a tool
And she's not afraid to break the rules

And I don't care about those people
Who try to tell me it's illegal
Cause this girl is a beauty
And she told me I'm a cutie
And she said her daddy hits her
And he's had too much liquor
Like you know that it's okay
Cause she loves him anyway

I think that I love her
Even though I just met her
And if she gets to know me
I think that she will love me

And tomorrow I can break a day
I'm gonna take the subway
Right down to her place
And we're gonna run away
And we'll be a-okay
Yeah, we'll be a-okay
Yeah we'll be a-okay
Yeah we'll be a-okay
HEY
