

Stop

(Sandy) Alex G

You hurt me
You hurt me
You hurt me
You hurt me

I wanna be a baby
I wanted you to hate me
I wanted you to blame me
I wanna be your plaything

First time up I couldn't feel nothing
Second time up I bought my coffin
Third time up I couldn't stop crying
Fourth time up I wanted to die

I wanna be a baby
I wanna be a baby
I wanna be a baby
