

String

(Sandy) Alex G

I do believe you're moving at a pace
A little bit too slow for my taste

It's such a funny movie, why not go?
Yeah, don't you think you oughta know?

Are you a girl on a string?
Are you a girl on a string?
Are you a girl on a string?
Are you a girl on a string?

Would you mind if I came back to you?
We could listen to the music you're into

It's such a crazy party, why not go?
Yeah, don't you think you oughta know?

Are you a girl on a string?
Are you a girl on a string?
Are you a girl on a string?
Are you a girl on a string?
