

## Sugar

(Sandy) Alex G

You will be a bird  
All of my life  
Whirling in the air  
Speck in the sky

Early in the day  
Late in the night  
Birds are in my head  
Birds in my eyes

You will be a bird  
All of my life  
Whirling in the air  
Speck in the sky

Put me in the air  
I wanna be with you  
You put me in the air  
I wanna be with you
