

## Time/Space

(Sandy) Alex G

Hold on tight to this time this place cause everything you know  
will be erased  
You were born inside your head and that is where you'll be when  
you are dead  
You are just a boy you are no man and nobody you know will unde  
rstand  
You are just a boy you are no man and nobody you know will unde  
rstand
