

## Track

(Sandy) Alex G

Can't come back  
Had a heart attack  
I'm a good man  
On a different track

You do see  
You don't wanna see  
But you do see  
That's what bothers me

Can't come back  
Had a heart attack  
I'm a good man  
On a different track

You do see  
You don't wanna see  
But you do see  
That's what bothers me

Can't come back  
Had a heart attack  
I'm a good man  
On a different track

You do see  
You don't wanna see  
But you do see  
That's what bothers me
