

Tunnel

(Sandy) Alex G

Meet my cat
Meet my dog
Look so tough
Feel so strong

Hold me tight
Pretty lady
String your body
From the walls
Put all your coins in the wishing well
You are the sweetest one that I ever saw

Meet my cat
Meet my dog

We've been waiting for so long

It's my number baby
That's my number baby
Here's my number
What's my number baby
