

Uh

(Sandy) Alex G

Uhh

I think you're like the autumn leaves  
When you're all dried out and used up and withered  
You'll fall on me

Now I can't tell if you're lyin'  
And I can't tell if you're cryin'  
And I can't tell if you're flyin'  
Or if you're just comin' down

Uhh

Why don't you just stick with me  
You're all broke down and I'm awful bitter  
So we're good company

Now I can't tell if you're leavin'  
And I can't tell if you're stayin'  
And I can't tell if you're flyin'  
Or if you're just comin' down
