

This Train

Sandy Denny

This train don't carry no gamblers, this train
This train don't carry no gamblers, this train
This train don't carry no gamblers
No crap shooters, no midnight ramblers
This train don't carry no gamblers, this train

This train is bound for glory, this train
This train is bound for glory, this train
This train is bound for glory
Don't carry nothin' but the righteous an' the holy
This train is bound for glory, this train
This train goes down the track, this train
This train goes down the track, this train
This train goes down the track
And once you're on board you don't come back
This train goes down the track, this train

This train is bound for glory, this train
This train is bound for glory, this train
This train is bound for glory
Don't carry nothin' but the righteous an' the holy
This train is bound for glory, this train
This train goes down the track, this train
This train goes down the track, this train
This train goes down the track
And once you're on board you don't come back
This train goes down the track, this train

This train don't pay no transportation, this train
This train don't pay no transportation, this train
This train don't pay no transportation
No Jim Crow and no discrimination
This train don't pay no transportation, this train

This train is bound for glory, this train
This train is bound for glory, this train
This train is bound for glory
Don't carry nothin' but the righteous an' the holy
This train is bound for glory, this train
This train goes down the track, this train
This train goes down the track, this train
This train goes down the track
And once you're on board you don't come back
This train goes down the track, this train
