

Posthumous Compersion

Sanguisugabogg

Joyous hot love making
Getting off from the dead

Watch as you bounce on his lap
Living walls grip the shaft
Seeing you become pleased
Finish off the deceased
Smiling you look at me
Staring in ecstasy
Getting off from his rot
Riding his cold dead cock

My heart is racing
From what's taking place
The urge fulfilling
Watch you fuck the dead

Watch as you bounce on his lap
Living walls grip the shaft
Seeing you become pleased
Finish off the deceased
