

You're My Everything

Santa Esmeralda

Na na na na ...
You're my everything
The sun that shines above you makes the blue bird sing
The stars that twinkle way up in the sky

Tell me I'm in love, when I kiss your lips
I feel the rolling thunder to my finger tips
And all the while my head is in a spin
Deep with in I'm in love

You're my everything and nothing
Really matters but the love you bring
You're my everything
To see you in the morning with those big brown eyes
You're my everything
Forever and the day
I need you close to me
You're my everything
You never have to worry never fear
For I am near

You're my everything
I live upon the land and see the sky above
I'll swim within oceans sweet and warm
There's no storm my love

You're my everything and nothing
Really matters but the love you bring
You're my everything
To see you in the morning with those big brown eyes
You're my everything
Forever and the day
I need you close to me
You're my everything
You never have to worry never fear
For I am near

when I hold you tight
there's nothing that can harm you in the lonely night
I'll come to you and keep you safe and warm
Yes, so strong my love

when I kiss your lips
I feel the rolling thunder to my finger tips
And all the while my head is in a spin
Deep with in I'm in love
