Santana

Batonga batonga  
Please don't go, don't go away  
Batonga batonga  
Please don't go away  
Batonga batonga  
Please don't go, don't go away

Batonga batonga  
Please don't go, don't go away  
Batonga batonga  
Please don't go away  
Batonga batonga  
Please don't go, don't go away

Hey!... Dime que te pasa  
Mira... a mi no me pasa nada  
Too many places where we've been to reach out  
So many people that we need to reach out  
Is hard to sleep when you're smart and you're hungry  
Live is one, love is the people's fight  
Quiereme muy lento  
Mira que ya no nos queda tiempo

Batonga batonga  
Please don't go, don't go away  
Batonga batonga

Batonga batonga  
Batonga batonga

Hey! No se que me pasa  
Mira, me siento diferente  
So many crazy things I need to reach out  
So many tears that I've lost to reach out  
Is hard to sleep when you're smart and hungry  
Love is one, live is one

Quiereme muy lento  
Mira, mira que ya no nos queda tiempo

Batonga batonga  
Please don't go  
Batonga batonga  
Don't go away, please don't go  
Batonga batonga  
Please don't go, don't go away
