[Verse 1: Ronald Isley]

Livin' life, lovin' what you do
(Aw Yeah)
Your light shining everywhere you go
The world is our home
We are family
Freedom in your mind
Everyone can see (Yeah)

Life will never be misery
We can change the world bringing peace

Children! everywhere, they need to be free
Women! got to have security (Aw Yeah)
Men! Takin' time to bring harmony (Yeah)
Freedom! in your mind
