Santana

Boy let me, let me  
Why don't you let me, let me  
Boy let me, let me  
Let me do those things for you  
Boy let me, let me  
Why don't you let me, let me  
Boy let me, let me  
Let me do those things for you

I been watching you from way 'cross the room won't cha come and rock it out  
with me  
You catchin' eyes like you catchin' ties  
Over here's where you wanna be  
It's so familiar, like we met somewhere before  
And I'm tired of waitin' baby why you still debatin baby

Let me come and whisper in your ear all the things you love to hear  
I wanna come play nice with you  
'cause if I get you alone I don't know what I might do  
And I think that it's about time  
We leave cus boy your my type  
You got me so excited  
Baby let's go dance away

So let me come and get ya right  
Boy let me fill your appetite  
Won't you let me know what it is you like  
And I'll do those sexy things for you  
I'll let you call me beautiful  
Let me give it to you once you gon want some more  
Boy let me, let me, let me  
Let me do those things for you

Boy let me, let me  
Why don't you let me, let me  
Boy let me, let me  
Let me do those things for you

I'm walkin over to you meet me by the door  
I'm the girl in the 7 inch heel  
I got my keys in my hand  
Maybe s's on my arms so guess you know what it is  
So act like you know  
Cause a girl just wanna have fun  
Knock it out the park for me  
Need ya to hit a home run boy

Let me come and whisper in your ear all the things you love to hear  
I wanna come play nice with you  
'cause if I get you alone I don't know what I might do  
And I think that it's about time  
We leave cus boy your my type  
You got me so excited  
Baby let's go dance away

So let me come and get ya right  
Boy let me fill your appetite

Won't you let me know what it is you like  
And I'll do those sexy things for you  
I'll let you call me beautiful  
Let me give it to you once you gon want some more  
Boy let me, let me, let me  
Let me do those things for you

Let too much to talk about it  
Not into me boy I doubt it  
You are gonna scream and shout it  
Make you hot how I move my body  
So crazy, so amazing  
Catch you up and make you chase it  
Let me let me baby  
Let me do those things for you

Let me baby, baby (yayaya oooh)

So let me come and get ya right
