

# Davy Jones

Santiano

You may think I'm just kidding you  
Used to be a member of this crew  
(Sail away, on a never ending journey)

One fine day has he realized  
That his love had played for a fool  
(Sail away, on a never ending journey)

Too hurt to carry on and still too young to die  
He tore his heart right out before my very eyes

Don't mess with Davy Jones  
Davy Jones, Davy Jones  
Beware of Davy Jones  
Davy Jones, Davy Jones  
He tears the drowning souls into his locker  
Where they all shall rest in peace  
Davy Jones, Davy Jones, Davy Jones  
Don't mess with Davy Jones

He locked his heart in a wooden chest  
Deep down in his soul, he kept the keys  
(Sail away, on a never ending journey)

Brotherhood put a curse in him  
Since he's roaming restless through the seas  
(Sail away, on a never ending journey) (haha)

His ship is frightening and his men have turned to freaks  
A storm is raging on the ocean when he speaks

Don't mess with Davy Jones  
Davy Jones, Davy Jones  
Beware of Davy Jones  
Davy Jones, Davy Jones  
He tears the drowning souls into his locker  
Where they all shall rest in peace  
Davy Jones, Davy Jones, Davy Jones  
Don't mess with Davy Jones

Don't mess with Davy Jones  
Davy Jones, Davy Jones  
Beware of Davy Jones  
Davy Jones, Davy Jones  
He tears the drowning souls into his locker  
Where they all shall rest in peace  
Davy Jones, Davy Jones, Davy Jones  
Don't mess with Davy Jones  
Davy Jones, Davy Jones  
Beware of Davy Jones  
Davy Jones, Davy Jones  
He tears the drowning souls into his locker  
Where they all shall rest in peace  
Davy Jones, Davy Jones, Davy Jones  
Don't mess with Davy Jones
